

Healing Prayer

Loving God,

Through your Holy Spirit,

You pour out your strengthening grace on all who suffer.

May we be instruments of your healing grace.

May the healing of Jesus continue through each of us and our community,
making everyone whole, and helping us to know sickness and suffering as
opportunities for us to grow and serve others.

May we be instruments of your healing grace.

Guide us to understand that,

Just as Jesus knew sickness, suffering and death, we may share in his healing
Resurrection and know the joy of everlasting life.

May we be instruments of your healing grace.

(Gently lay your hands on one another and pray)

Be an instrument of God's healing grace.

Amen.
